

# Emerging PV Technologies Platform, Industry Day

## Second Event

7<sup>th</sup> November 2024, 09:00-14:00

Crowne Plaza Hotel, Athens, Greece

### AGENDA

08:30-09:00	Registration and Networking
<b>SESSION 1: INTRODUCTION AND THE GREEK PARADIGM</b>	
<b>WELCOME AND OPENING REMARKS</b>	
09:00-09:30	S. Logothetidis, <i>COPE-Nano and HOPE-A</i> , A. Chatziparadeisis, <i>HOPE-A</i> Official Greetings from Authorities
<b>KEYNOTE TALK</b>	
09:30-10:00	Greek Paradigm: The 3 <sup>rd</sup> Gen PV Products being the Catalyst for the Net Zero emissions in 2050 Logothetidis, <i>President of COPE-Nano and HOPE-A</i>
<b>SESSION 2: INNOVATION AND EXCELLENCE DRIVERS FOR THE 3<sup>rd</sup> GEN PHOTOVOLTAICS INDUSTRY</b>	
10:00-10:20	Greek Flagship Project on Development of efficient 3rd PV materials and devices P. Falaras, <i>INN, NCSR DEMOKRITOS</i>
10:20-10:40	Nanotechnology Lab LTFN and COPE-Nano: Innovation activities in 3rd Gen Photovoltaics A. Laskarakis, <i>Nanotechnology Lab LTFN, AUTH</i>
10:40-11:00	Solar Energy activities in Crete E. Kymakis, <i>Hellenic Mediterranean University Research Center</i>
11:00-11:20	Solar energy activities at the National Hellenic Research Foundation C. Chochos, <i>National Hellenic Research Foundation, Greece</i>
11:20-12:00	Coffee Break, Networking
<b>SESSION 3: INDUSTRIAL TECHNOLOGIES AND BUSINESS OPPORTUNITIES IN 3<sup>rd</sup> GEN PV AND STORAGE</b>	
12:00-12:15	The first automated manufacturing line of integrated Organic PV for GW Production E. Mekeridis, <i>CTO Organic Electronic Technologies</i>
12:15-12:30	Creating an international technology leader from Greece through innovative national teamplay E. Margaritis, <i>International Business Development Director &amp; Chief Investment Officer, Organic Electronic Technologies</i>
12:30-12:45	R2R Processes in Industrial Scale up in Organic Photovoltaics (OPVs) T. Kolbusch, <i>COATEMA Coating Machinery GmbH, Germany</i>
12:45-13:00	The high penetration of Photovoltaics in Greece, challenges and prospects S. Loumakis, <i>President of Hellenic Association of Photovoltaic Energy Producers, Greece</i>
13:00-13:15	The application of Agrivoltaics in Greenhouses of Marathon Area L. Oikonomidis, <i>President of Agricultural Horticultural Cooperative Marathon, Greece</i>
13:15-13:30	HOPE-A and Policies for PV Generation and Installation in Greece A. Chatziparadeisis, <i>General Director HOPE-A</i>
<b>SESSION 4: PANEL DISCUSSION ON PLANS, POLICIES AND STRATEGIES</b>	
13:30-14:00	Summary and Discussions on Industrial Competences, Policies, Strategies and Synergies Closing Remarks and Next Steps
14:00	End of Event

# COPE-Nano
